

THE CCI GROUP ADVANTAGE:

CCI Group offers customizable, localized, multilingual and scalable solutions in over 350 languages including Sign Language. We help companies and federal organizations to communicate effectively in the language they need. We combine remote and on-site technologies for events of any size, in any location allowing them to communicate in real-time in several languages simultaneously.

CORE COMPETENCIES:

- In-Person Interpretation
- Multilingual Transcription
- Translation of Documents
- Terminology Management
- Video Remote Interpreting
- Sign Language Services
- Multilingual audio/visual production
- Localization
- CART services
- Events Planning
- Conference Interpreting
- Interpreting Equipment
- Over the Phone Interpreting
- Linguists with security clearance

DIFFERENTIATORS:

- Prime and subcontractor experience, a clear understanding of government requirements and expectations.
- CCI Group operates around the clock, supporting hundreds of languages and bridging communication gaps through phone, video, mobile app, or written text.
- CCI Group offers localization services, adapting content to meet the cultural, linguistic, and technical requirements of your target market.
